We can't believe we are at the end of another year! We are so grateful for your support on this journey and for making all that we do possible. We hope you will enjoy this trip down memory lane as we reflect on some of 2022's highlights.

Looking for some New Year Celebration tunes? We got you covered with a playlist of popular songs to vibe and dance to as you ring in the new year (or while you read this email):

2022 Recap

We put the finishing touches on the storage structure at the nursery site.

Lolonu was able to join us again for seedling care and planting.

The 2022 class of seedlings started with a crop of ~6,000 this year.

We continue to support our partner S H E activities, including the first even plastic clean-up event in Notsé on Earth Day.

ICPSD partnered with Bilimon to expand youth leadership and planning for their future activities.

We raised enough funds during Idaho Gives to expand our computer lab to seven computers total! (In addition to our three old laptops.)

Our youth had fabulous pass rates on their exams, so of course we celebrated!

The youth were able to enjoy a summer field trip to Kpedomé to learn about the history and ecological context of the dam.

The youth performed and represented ICPSD well during Agbogbozan.

The ICPSD youth group's elected leaders voted to use funds to support all members of the youth group by providing school supplies for the year.

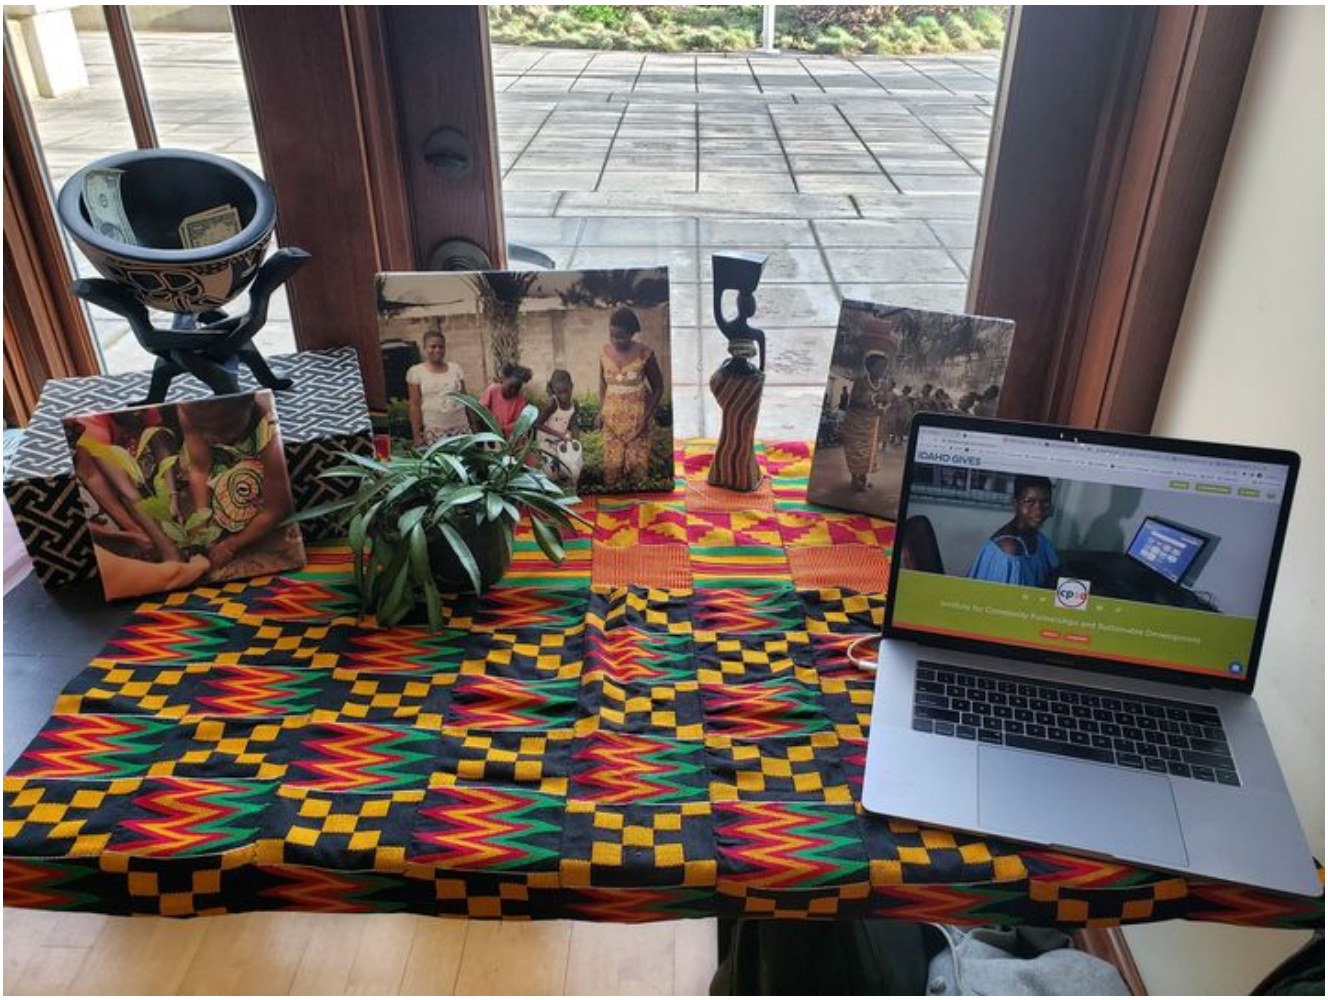
We participated in the Alternative Giving Market of the Palouse in the U.S. to raise more funds to purchase additional computers for the lab.

initiative to help IOP SD youth (and beyond) participate in soccer by removing common cost and access barriers.

“Thank you is the least I can say to you to show my appreciation for everything you have done for me." - Unknown

We are so incredibly grateful for all of your support in 2022. Every year we grow a little more, do a little more, change a little more and it is all possible because of you - our incredible supporters.

2023: Save the Date!



May 1-4, 2023

In-Person Event:

When: May 1, 2023

Where: 1912 Center (Moscow, ID)

What: Join us as we kick off Idaho Gives with food, drinks, music, raffle, and more! We will be raising funds to continue to grow our youth computer lab and digital literacy program.

Interested in supporting our Idaho Gives event?
